

Mare Island Technology Academy

School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Candice Sawyer, Director

Principal, Mare Island Technology Academy

About Our School

I am ecstatic to report a successful 2017-2018 school year for Mare Island Technology Academy Middle School. The school began the year fully staffed with 85% of the teachers fully credentialed, teaching in their content area expertise. We were able to maintain an average class size of 28:1, keeping our class size down. The curriculum offered at the middle school has been updated to follow the rigor of the common core standards. Our student scores in Math and English have shown improvement and students are engaged with content in their classes. To meet our student's holistic needs, we also provide academic and emotional counselling on-site as a full service academy. Parental involvement and participation is pivotal for the success of our students and we value our parent's input in various parental committees such as AAPA, PTN and ELAC. I look forward to 2018-2019 being another phenomenal year at the academy as we continue to be an educational pillar in our community.

School Description and Mission Statement (School Year 2018—19)

Our Students: Mare Island Technology (MIT) Academy Middle School serves the unique needs of students in grades 6-8. For middle school students to experience academic and personal success, we must ensure that they have positive, supportive, and caring interaction with adults and peers. We must hold high expectations and provide support for demonstrated achievement. And we must ensure that they participate in meaningful ways in the school and community, building leadership skills. We insist on success for all students, many of whom are under-prepared and under-challenged. Marshaling the knowledge and skills of our stakeholders, we will ensure that all students have access to learning that will prepare them for post-secondary education/training, for the 21st century's global workplace, and for a satisfying and productive life.

Our Vision: Mare Island Technology Academy is a school where students, parents, staff, and Board are mutually respected, active partners in achieving success for every young adult. With technology and creativity to enhance the learning process, students graduate with leadership skills and excellent preparation for continued education. Our high academic standards are made possible by a safe and disciplined environment that allows learning to be fun. The MIT Board, staff, and parents form a trusting and nurturing partnership characterized by honest, open communication and a respectful, enthusiastic, optimistic, and open-minded approach. MIT Academy is an effective and diverse organization that is an asset to the community.

Our Mission: Success for All Students: The mission of the Mare Island Technology (MIT) Academy High School is to challenge and empower our diverse community of young people, 6th through 8th grade, to master a rigorous, interconnected curriculum that equips them with exceptional academic, technological, social, and life skills and enables them to become self-motivated, competent, lifelong learners. With parent, staff, and community involvement, Mare Island provides accountability in a nurturing and stimulating learning environment that extends beyond the classroom, building a commitment to our local and global communities. A Mare Island Technology Academy graduate will exemplify personal excellence with a curiosity and passion for learning.

Student Enrollment by Grade Level (School Year 2017—18)

Grade Level	Number of Students
Grade 6	139
Grade 7	141
Grade 8	141
Total Enrollment	421

Last updated: 1/31/2019

Student Enrollment by Student Group (School Year 2017—18)

Student Group	Percent of Total Enrollment
Black or African American	14.0 %
American Indian or Alaska Native	0.2 %
Asian	5.0 %
Filipino	21.9 %
Hispanic or Latino	45.8 %
Native Hawaiian or Pacific Islander	1.0 %
White	8.1 %
Two or More Races	4.0 %
Other	0.0 %
Student Group (Other)	Percent of Total Enrollment
Socioeconomically Disadvantaged	60.8 %
English Learners	12.8 %
Students with Disabilities	6.4 %
Foster Youth	%

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2016—17	School 2017—18	School 2018—19	District 2018—19
With Full Credential	15	15	17	39
Without Full Credential	5	7	3	7
Teachers Teaching Outside Subject Area of Competence (with full credential)				0

Last updated: 1/31/2019

Teacher Misassignments and Vacant Teacher Positions

Indicator	2016—17	2017—18	2018—19
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions			

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
 * Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements

The school is located on grounds that vary between a small hilly area where the middle school is located and slopes gradually to a central campus area with an open field and then continue to the high school campus on relatively level ground. The grounds are relatively barren with large eucalyptus trees and some other planted areas around the portables that have been maintained on the site for several years. The multi-purpose room, offices, and restrooms are all converted portable buildings. The school has always maintained the desire to build permanent structures on the current site but to date, this has not been financially feasible. Continuing efforts to obtain facilities grant money from the state have not been successful. Improvements continue to be made in the decking around the classrooms, the walls of the classrooms are continuously examined and repaired as needed and the roofing is inspected annually and repaired each season. Parent volunteers also assist in the maintenance of the school's grounds and facilities. On most weekends, parents are volunteering their time in weekend work parties.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	41.0%	41.0%	30.0%	32.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	31.0%	24.0%	21.0%	21.0%	37.0%	38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/31/2019

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017—18)

CAASPP Assessment Results – English Language Arts (ELA)

Disaggregated by Student Groups, Grades Three Through Eight and Grade Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	424	420	99.06%	40.81%
Male	210	209	99.52%	36.06%
Female	214	211	98.60%	45.50%
Black or African American	55	54	98.18%	25.93%
American Indian or Alaska Native	--	--	--	
Asian	22	22	100.00%	45.45%
Filipino	95	95	100.00%	60.00%
Hispanic or Latino	194	191	98.45%	30.00%
Native Hawaiian or Pacific Islander	--	--	--	
White	36	36	100.00%	52.78%
Two or More Races	17	17	100.00%	58.82%
Socioeconomically Disadvantaged	251	247	98.41%	33.20%
English Learners	123	120	97.56%	19.17%
Students with Disabilities	30	29	96.67%	17.24%
Students Receiving Migrant Education Services				
Foster Youth				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
 Grades Five, Eight and High School
 Percentage of Students Meeting or Exceeding the State Standard**

Html.RenderAction("SarcDescription", new { sectionID = 80, cdscode = ViewBag.Cdscode });

Subject	School 2016–17	School 2017–18	District 2016–17	District 2017–18	State 2016–17	State 2017–18
Science (grades 5, 8, and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Last updated: 1/31/2019

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2017–18)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
7	23.5%	26.5%	25.5%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/31/2019

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018—19)

Parents are involved in the following groups: Parent Teacher Network (PTN), African-American Parent Association (AAPA), MIT Board, and English Learners Advisory Committee. They are also involved in volunteering in classrooms and office, providing grounds maintenance, chaperoning student events, participating in fundraisers, providing schoolyard supervision, and volunteering in the after-school program.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2014—15	School 2015—16	District 2014—15	District 2015—16	State 2014—15	State 2015—16
Dropout Rate	--	--	18.5%	14.8%	10.7%	9.7%
Graduation Rate	--	--	73.8%	79.6%	82.3%	83.8%

Indicator	School 2016—17	District 2016—17	State 2016—17
Dropout Rate	--	20.7%	9.1%
Graduation Rate	--	73.2%	82.7%

For the formula to calculate the 2016–17 adjusted cohort graduation rate, see the 2017–18 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

	School	School	School	District	District	District	State	State	State
Rate	2015—16	2016—17	2017—18	2015—16	2016—17	2017—18	2015—16	2016—17	2017—18
Suspensions	7.0%	14.0%	8.1%	10.6%	9.5%	8.7%	3.7%	3.7%	3.5%
Expulsions	0.0%	0.0%	0.0%	0.2%	0.2%	0.2%	0.1%	0.1%	0.1%

Last updated: 1/31/2019

School Safety Plan (School Year 2018—19)

MIT's comprehensive safety plan is included in our faculty handbook. The plan includes instructions for what to do in the event of a fire or earthquake. The faculty handbook was distributed during our school's professional development days in August and is reviewed monthly as we conduct our fire and earthquake drills.

Professional Development

Mare Island Technology Academy Middle School provides teachers with five days of planning before the start of the school year. New teachers get a five day "New Teacher Orientation" in order to learn about Griffin Technology Academies (GTA), our Charter Management Organization, Mare Island MS, and the culture we cultivate with both the adults and students. During the PD week for all teachers, the focus of the planning is on PLCs (Professional Learning Communities). During the year, teacher plan in their PLC groups twice a month on Wednesdays at the end of the minimum day. We also focus heavily on providing AVID and PLC training for all teachers.

Last updated: 1/31/2019
